Scouting The Shops

With Sally

Sometimes we feel sad. The world is so Selfish. Everybody is selfish. We are selfish.

Yesterday we were in at Farmers Market and we saw a great big thick steak—just the kind we wanted.

"I'll take that," we heard the woman next to us say, pointing.

"We saw it first," we interrupted indignantly. "Wrap it up please," we told the clerk.

It is things like that that depress us. People are so selfish. P. S. the steak was delicious.

All the way to McGraw Brothers we felt sorrowful. So we bought some shaving cream for John—just to prove we weren't selfish—and also so he would wash the dishes for us the next night. We're going to see Ginger Rogers at the Daly City theatre.

And it certainly wasn't selfish to buy all the nice things for our family that we did. If you're looking for Christmas gifts, why not stop in at the new Family Dry Goods Store which has just opened at 6157 Mission street? Or order some fine liquors for the holiday season from Gelsi's? Gelsi's features free delivery, too.

If we were writing a letter to Santa Claus, we would be sure to ask for one of those marvelous new Zenith Recorders from Byrne's—you can make your own records and play them back to yourself. It's loads of fun.

Also lots of fun is grocery shopping for the holiday season. A few of the specials we noticed were 6-pound cans of honey for 29c from Milo's Market; Hormel's ham at Robertson's Egg Store, 2 slices for 23c; S. & W. coffee at Westlake Market, 2 pounds for 47c; large cans of pork and beans for 10c at Daly City Cut Rate Market; Globe A-1 flour, 10 pound sack 41c, at Lucca Ravioli company; and Italian bread (delivered daily) at Geneva Bakery.

We mustn't forget heating the house, either. Coal is selling at summer prices right now at H. H. Smith Lumber Yard.

Beeson Cleaners will do much to freshen up those dingy rugs and curtains for you.

One last reminder: it isn't selfish to eat out once in a while. Colonial Cafe now features a delicious 40c merchants luncheon daily.

Open New Dry Goods Store In Daly City

S. Kuperstein this week announced the opening of the Family Furnishings and Dry Goods store at 6157 Mission street. Kuperstein has had many years experience in the dry goods and clothing business in San Francisco. He will feature infant's wear.

Among other items, the store will carry a good line of hosiery and lingerie for ladies, and gifts for the holidays.

At Daly City Cut Rate Market

Shown above are the men who make shopping duties easier at the Daly City Cut Rate Market, 6307 Mission street. Lou Galletta checks an order with Jim Raimondi, behind the counter, while at the left, Tom Passantino is shown weighing vegetables in the large fruit department of the market.

The store has recently been changed over to a convenient self-serve center, arranged efficiently so that although a larger variety of merchandise is now carried, there is more room for shoppers.

Raimondi and Passantino, proprietors of the market, have managed the store for nearly a year, building an ever-increasing list of satisfied customers. In addition to Galletta, two other employees, Raymond Woollever and Harry Clark help take care of peak days.

"Our change to a self-serve store has benefitted our phone order service, too." Raimondi said today. "We can now fill orders more promptly than before due to our new set-up. Of course, we're maintaining our free delivery service."

Agricultural Note

Vetches producing from two to three tons of dry plants per acre would add from 150 to 200 pounds of nitrogen to the soil if turned under.

Government 10-Hour Day

Employees of the United States government went on a 10-hour day in 1840. It was done by executive order.

Risky Occupation

Nearly 50 Japanese newspaper correspondents and photographers have been killed "covering" the China war.

Bazaar To Feature Christmas Gifts

"Do your Christmas shopping early," is the recommendation of Mrs. Mary Dunne and Mrs. Nora Maguire, who are chairmen of a huge bazaar at St. Michael's parish hall, 32 Broad street, this coming week-end.

Fancy work, home-cooked foods and many attractive gift ideas for the holiday will be featured at the bazaar, which is sponsored by Catholic Ladies Aid Society, Branch No. 59.

The bazaar will open on Saturday evening and continue all Sunday. The public is cordially invited to avail themselves of this opportunity to secure fine hand-worked linens and novelties for the Christmas season.

Rough Customer

A. C. Cooper donated Cricket, a six-year-old rhesus, to the Fort Worth, Texas, zoo. During his first 10 minutes in the "monkey island" colony at the zoo Cricket slapped down seven other monkeys, whipped two raccoons and grabbed three fish from the moat surrounding the island.

Chewing Gum Base

The basic gum entering into the manufacture of chewing gum is chicle obtained by coagulating the milk, or latex, of the Sapota tree of Central America.

Utility Power Plants

Public utility power plants now require close to 50,000,000 tons of coal annually for their operation, but that amount is only half of what would be needed by equipment of 20 years ago in producing the same amount of electricity.

Something Wrong

Television 'Make-Up'

Actors' make-up has changed constantly since the inception of television. About 1930 the actors painted their faces white and their lips black, but the present make-up is very similar to that used in the movies.

Seventeenth Century Employers

Believing that it was necessary to threaten employees with hunger in order to get more work from them, Dutch and English economic literature in the Seventeenth century stressed the necessity of lowering wages to the minimal level of subsistence, says a study of The Evolution of the Classical Wage Theory, issued by the Columbia University Press.

Church as Stable

The churches of Kilkenny in Ireland have been put to various uses in the past. The cathedral has been a stable, the Franciscan Friary a tennis court, the Black Abbey a courthouse, while the parish church has served both as a barracks and a hospital.

Now It's a Malady

School children who play "hookey are prompted to do so by an uncontrollable malady, in the opinion of C. T. Stewart, assistant director of census and attendance, Atlanta, Ga. So, instead of inflicting punishment, efforts will be made to discover the cause and take suitable curative steps.

Men Surpass Women?

The male of the human species is superior in intelligence to the female, according to Professor William Reuter, Westminster college psychologist. Reuter asserts, on the basis of tests, that it has been proved that woman rarely becomes successful through her own ability. Men have always beaten women in every field, even in their own domain of cooking and dressmaking, according to Reuter. He said the difference in innate intelligence between the sexes may be due to the fact that the masculine brain is larger.

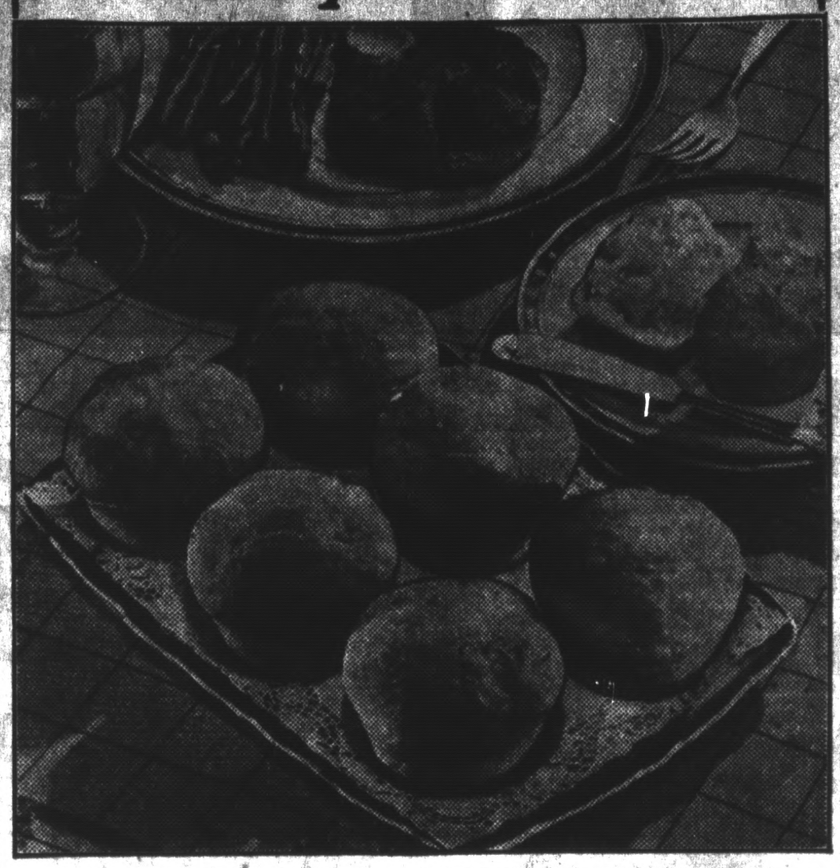
Chemical Energy Relationships

Today chemists without having to conduct a single experiment can frequently calculate whether a certain product can be produced from new and untried raw materials, the American Chemical society reports. Energy relationships are studied to learn whether or not an untried reaction will liberate free energy. Energy has a natural definite tendency to scatter, and this tendency provides the driving force of chemical reactions.

Hatless Fad Not New

The hatless fad, which was at its height in '32 and '33, was neither new nor collegiate. It dated back before the American Revolution to the time when English dandies carried their hats in their hands to avoid mussing their curled and powdered wigs.

Make it a Feast Tonight with *Squash Rolls!*



They're light and tender, with a delicious new flavor

• Squash Rolls are real palate-teasers for any meal. They go well with salad plates, bridge lunches, Sunday suppers and dinner any time. Your family will love the delicate lightness and tantalizing taste of Squash Rolls. They're so wholesome and satisfying, too—and so easy to make, with Spry, the triple-creamed vegetable shortening.

Serve piping hot

When the family sits down to dinner, bring in a plate of piping hot, delicately browned, tasty Squash Rolls. Listen to the murmurs of appreciation! Your family will ask for Squash Rolls again and again, they're such a treat. Clip this recipe now and put it in your "Use Often" file.

SQUASH ROLLS

⅓ cup Spry
½ cup scalded milk
½ cup canned or cooked squash
¼ cup sugar
1 teaspoon salt
1 cake compressed yeast
¼ cup lukewarm water
3 cups sifted all-purpose flour

Add Spry to hot milk, then add squash, sugar and salt. Dissolve yeast in lukewarm water and add to lukewarm squash mixture. Stir in flour. Place in bowl greased with Spry, cover, and let rise until double in bulk (about 1½ hours). Cut down and knead on floured board until smooth.

Shape into small balls and place in muffin pans greased with Spry. Brush tops of rolls with melted Spry and let rise until light (about ¾ hour). Bake in hot oven (425° F.) about 15 minutes. Makes 2 dozen. Canned pumpkin may be used instead of squash, if desired. Total time required 2½ to 3 hours.

(All measurements in this recipe are level)

U. S. Postal Savings

The postal savings system has more than 2,700,000 depositors, with balances to their credit of over $1,262,000,000.

Titanic's Memorial

On the banks of the Potomac river in Washington, D. C., stands the Titanic memorial, sculptured by Gertrude Vanderbilt Whitney, in tribute to the men who responded with their lives to the cry of "Women and children first" on board the sinking Titanic. It was donated in 1927 by the Women's Titanic Memorial association.

Ivy's Symbol

The ivy has always been a symbol of the clinging love of woman. The altar of Hymen, the Greek god of marriage, whose blessing was invoked at every wedding, was kept green with ivy. In the legend of Tristan and Isolde, two ivy vines, entwining, are a symbol of the undying union of the lovers.

Buzzard Migration

The annual southward migration of buzzards was so great through San Gorgonio pass in California this year that the birds blacked out the sky. More than 4,000 of the birds were estimated to have made the mass flight south through the pass.

Brazil First 'America'

The name America was first applied to central Brazil, in honor of Amerigo Vespucci, who claimed its discovery. It was first applied to the whole known Western world by Mercator, the geographer, in 1538.

Gorillas Are Bashful

The ferocity of the gorilla, terrifying "boogey" of screen and fiction, has been disproved by explorers. They agree in saying that the animal is extremely shy and difficult to catch sight of, often hiding in the thickest part of the woods on the approach of man.

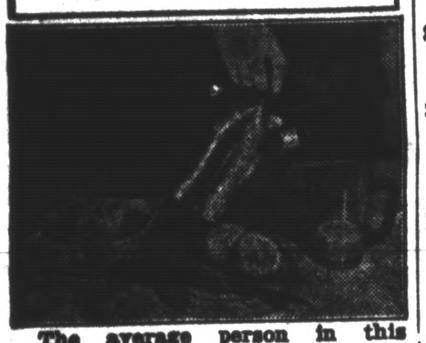
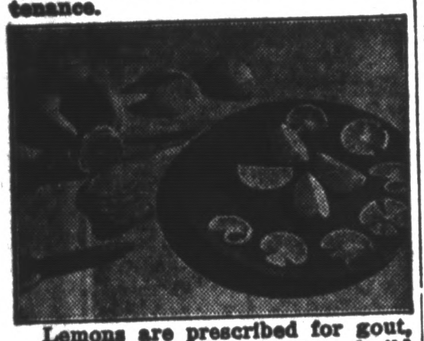
Salute the Lemon

By BETTY BARCLAY



The average person in this country eats, drinks and makes other use of 30 lemons a year — and the variety of uses is at least 57!

When you drink hot lemonade for colds or "flu", follow through by going to bed. The early morning drink of lemon, soda and water may be warm or tepid, and is growing in popularity for health maintenance.



Lemons are prescribed for gout, rheumatism, arthritis and to build resistance to infections such as pneumonia and tuberculosis — but they are also first aid to the cook!

She cuts lemons lengthwise into quarters for juicy garnishes, makes fancy trims with scissors; she uses them with vegetables, fish, hot or cold tea, in salad dressings and to flavor delicious puddings, cakes and pies.

The secret of that favorite dessert, lemon pie, is fresh lemon juice, added to the filling after it is cooked. From appetizers to desserts, lemons bring out flavor and add zest to a meal. If you would like to know how to make 10 varieties of lemon pie, as well as 100 other lemon recipes and tricks with foods — all done with lemon — write Betty Barclay, P. O. Box 5030, Metropolitan Station, Los Angeles, California.

NOW PLAYING AT DALY CITY THEATRE

Lovely Ginger Rogers is a gal who likes to play hunches. She plays one with Ronald Colman as partner, and their joint investment in a sweepstakes ticket leads to a make-believe honeymoon and some interesting romantic complications when Ginger's fiance raises objections in person at their Niagara Falls rendezvous. The mirth-and-love story for the brilliant co-stars is RKO Radio's "Lucky Partners," a joy-filled, scintillating tale by Sacha Guitry. Companion feature is "Argentine Nights."

Good Coffee Comes From a Clean Pot

YOUR coffee pot may not be as clean as you think, and a clean pot is essential for good coffee. Always use a brush to thoroughly clean inaccessible percolator parts.

Use plenty of hot water to wash your coffee makers. After washing with soapy water, scald it thoroughly to remove all traces of suds and wash as soon as possible after use.

Aluminum coffee makers should be scoured with steel wool and soap once a week. Never use soda, and don't forget that the cleaner your coffee pot—the better is your brew.

Cold Left-Over Turkey

can be turned into exciting fresh hot dishes

says Dorothy Greig

THE turkey is in full glory on the first day, appearing in all his golden succulence and tenderness as a whole roasted bird.

The second day he does nobly, too, as a cold platter filled with legs and wings and slices of breast meat around a mound of savory dressing.

But by the third and fourth days, while there's lots of him left, he is pretty much reduced to scraps. That's where a big change takes place. He returns to the family table all dressed up as fresh hot dishes and we rejoice and enjoy him with renewed zest.

Who likes flaky pastry turnovers? Everybody . . . and all the more so when the filling is turkey and they are served with a sauce that gives them extra flavor:

Turkey Turnovers with Mushroom-Pea Sauce present leftover turkey as a hot fresh dish.

Hot Turkey Turnovers with Mushroom-Pea Sauce

2 cups cooked turkey, chopped
½ cup condensed cream of mushroom soup

Combine turkey with soup and mix well.

Pastry for Turnovers: Sift 3 cups flour, add ¾ teaspoon salt and ¾ cup shortening. Cut in shortening, then add ice water mixing with a fork until the dough holds together. Chill thoroughly. Roll out pastry on floured board and cut into 4½ inch squares. Put a spoonful of turkey mixture on each square, moisten edges of pastry and fold cornerwise, pressing edges together with a fork. Put on a greased baking tray and bake in a hot oven (450°) for 15 minutes. Makes 9 turnovers.

Mushroom-Pea Sauce

¾ cup condensed cream of mushroom soup
½ cup condensed pea soup
½ cup milk

Combine soups. Then add milk and heat, but do not boil. Serve over the "Hot Turkey Turnovers".

Turkey can reappear as a creamy a la king dish, too, to the deep contentment of all those who are served therewith:

Turkey a la King

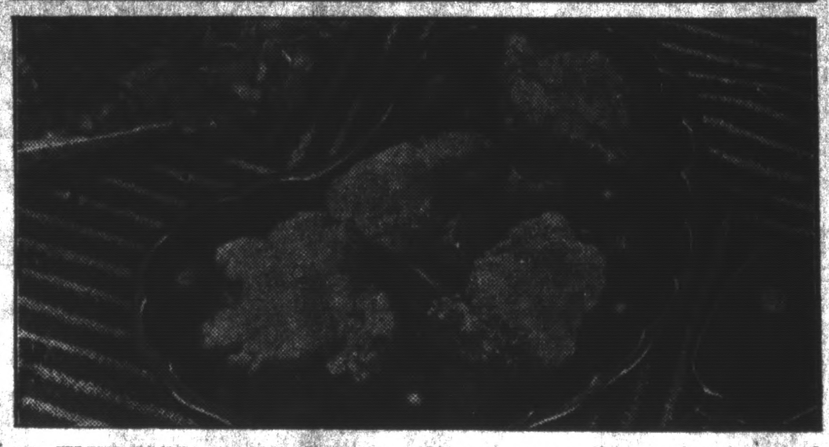
1 can condensed cream of mushroom soup
½ cup top milk
1 cup turkey
½ cup pimiento (cut in strips ⅛ inch wide by 1 inch long)
1 egg yolk

Cut the turkey into pieces about ¾ inch square.

Stir the cream of mushroom soup well. Then add ½ cup of top milk. Heat and add the turkey and strips of pimiento. Then add the egg yolk which has been diluted with some of the hot sauce. Heat, but do not boil. Serve on toast, in patty shells or with hot buttered rice. Serves 3-4.

Dumplings Make Debut As Dessert

By BETTY BARCLAY



DUMPLINGS — the light-as-a-feather variety that add the crowning glory and extra palate appeal to fricasseed chicken and lamb or beef stew with vegetables — make their debut in an attractive new disguise created for service as a dessert. This new version which is a fruit and dumpling combination, is also delicious served with the main course as an accompaniment to the meat course.

The dumplings, which are prepared in the usual way, are steamed on top of a spicy fruit sauce which is a combination of canned Hawaiian pineapple gems and their syrup, maraschino cherries, brown sugar, butter, and cinnamon.

Hawaiian Dumplings

1 (1 lb., 14 oz.) can Hawaiian pineapple gems
½ cup maraschino cherries and juice
½ cup brown sugar
½ teaspoon cinnamon
2 tablespoons butter
1 cup sifted all-purpose flour
2 teaspoons baking powder
1 teaspoon sugar
½ teaspoon salt
2 tablespoons shortening
⅓ to ½ cup milk

Combine pineapple gems and their syrup, cherries, sugar, cinnamon, and butter. Bring to boiling point. Mix and sift flour, baking powder, sugar, and salt. Cut in shortening with pastry blender. Add enough milk to make a soft dough. Drop by spoonfuls on boiling fruit mixture. Cover and cook 10 minutes. Serve immediately. Yield: 6 servings.
